SUMMARY

Hi, my name is Jaime and I am always eager to learn and stay updated on the latest trends and technologies in the field of web development. I am passionate about solving complex problems and tackling technical challenges.
I have expertise in developing applications using front-end and back-end technologies JavaScript, React, NodeJS, Express, MongoDB... to create attractive and responsive user interfaces.

WEB DEVELOPMENT PROJECTS

GymLion

🔗 https://master--gym-lion.netlify.app/
